

CAMPING UNIT TRANSFER CONTAINER SERVICING CONTRACT

_____/_____/_____
Contract Date:

_____-_____-_____
Tax Parcel #

Camping Unit Transfer Container Owner(s)

Contracted Licensed Septage Hauler

I/We acknowledge the installation of a camping unit transfer container on the following described property:
(provide legal description from tax statement)

Part of _____ ¼, _____ ¼, Section _____, T _____ N, R _____ W,

Described as: _____

Town of _____, Barron County, WI.

1. The owner agrees to have the camping unit transfer container serviced by a licensed septage hauler pursuant to ss. 281.48 (3) Wis. Stats., and NR 114 Wis. Admin. Code and guarantees to permit the licensed septage hauler to have access and to enter upon the property for the purpose of servicing the camping unit transfer container(s). The owner agrees to maintain an access road or drive so that licensed septage hauler can service the camping unit transfer container with the pumping equipment. The owner and licensed septage hauler further agrees that the camping unit transfer container shall be serviced on demand but not less than one time per camping season.
2. The licensed septage hauler agrees to submit to the Barron County Zoning Office a report for the servicing of the camping unit transfer container after each servicing event. All disposal of waste shall be in accordance with NR 113 Wis. Admin. Code. The licensed septage hauler further agrees to include the following in the report:
 - a. The name and address of the person responsible for servicing the camping unit transfer container;
 - b. The name of the owner of the camping unit transfer container;
 - c. The location of the property on which the camping unit transfer container is installed;
 - d. The county sanitary permit number issued for the camping unit transfer container;
 - e. The dates on which the camping unit transfer container was serviced.
3. The licensed septage hauler is responsible to report to the Barron County Zoning Office any misuse or damage of the camping unit transfer container or discharge of effluent onto the ground immediately.
4. This agreement is valid for one (1) year or until the owner or licensed septage hauler terminate this contract, whichever comes first. In the event of a change in this contract, the owner agrees to file a copy of any changes to this service contract or a copy of a new service contract with the Barron County Zoning Office within ten (10) business days from the date of the change to this service contract.
